

**REMARKS**

Applicant has carefully reviewed this Application in light of the Election/Restriction Requirement mailed March 20, 2007. Claims 1-47 are pending in this Application. Claims 1-47 are subject to the election or restriction requirement.

The Examiner required an election of the claimed invention between the following groups:

- I. Claims 1-17, drawn to “a method of detecting differences between complex images by applying a low pass filter”, classified in class 382, subclass 264.
- II. Claims 18-47, drawn to “a method of detecting differences between complex images by selecting plurality [sic] of aberration values” classified in class 359, subclass 16.

Applicant hereby elects without traverse to prosecute Claims 18-47. Claims 1-17 are hereby cancelled without prejudice or disclaimer. Applicant reserves the right to file a divisional application for these claims.

**CONCLUSION**

Applicant has now made an earnest effort to place this case in condition for examination and allowance. Applicant respectfully requests reconsideration of the application and allowance of Claims 18-47.

Applicant believes no further fee is due at this time, however, the Commissioner is hereby authorized to charge any additional fees to Deposit Account No. 50-2148 of Baker Botts L.L.P.

If there are any matters concerning this Application that may be cleared up in a telephone conversation, please contact Applicant's attorney at 512.322.2581.

Respectfully submitted,
